

Gulf Shores City Schools 21st CCLC AFTER SCHOOL CARE PROGRAM REGISTRATION INFORMATION

Registration opens July 10, 2019 at 7:00 a.m. and will close on Sunday, July 31, 2019 at 11:00 p.m. Space is limited. Registration will re-open on August 19, 2019 for any new applicants. **Students in grades PreK-6 may register.** If the middle school is awarded a 21st CCLC grant, 6th graders will attend the middle school program. If not, they may attend the GSES program.

PLEASE READ ALL INSTRUCTIONS BEFORE REGISTERING

To register, click this link: www.ezchildtrack.com/gsboe/parent. There will be three main buttons (*Existing Parents*, *Returning Parents*, and *New Parents*).

If your child attended SPARC Summer camp in the summer of 2019, you already have an account and should select the middle window (***Existing Parents Sign Up***) to get your password. Once you have your password, you can follow instructions to register. If you must leave the site, the next time you log in, you will use the first window (***Returning Parents Sign In***). *Returning parents* may go into the site before registration opens to retrieve their password in order to get into the site once registration opens.

If your child has previously attended after school care at GSES, you will need to click on the ***New Parent Open Account*** button as all accounts were with Baldwin County. You will need to create a *New Account*. **If your child has never attended after school care at GSES**, select the ***New Parent Open Account*** button as well. If you have multiple children, you may register them at the same time even if both or all children have not attended.

Please register on a computer and not a cell phone. **Space is limited.** Please fill in all boxes with a red line. Please make sure you complete the application and click **SUBMIT** at the end and receive confirmation. Your work will not be saved if you do not submit. Applications will be reviewed as quickly as possible during the registration window. You will receive an email at that time if your child(ren) have been accepted.

If you get a message that the program is **FULL**, just click on **CONTINUE TO REGISTER** each time until you finish the form. Your child will then be added to the waitlist. Students will be registered from the waitlist as space and staff allows.

Please email the Site Manager at afterschool@gulfshorescityschools.org with any questions.
