PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The local educational agency (LEA) assures it will submit a plan to the Alabama State Department of Education (ALSDE) that contains such information as ALSDE may reasonably require, including all information required by the U.S. Department of Education's (ED) [Interim Final Requirements](#) on ARP ESSER. The LEA will submit the plan by the date established by ALSDE.

The LEA will use ARP ESSER funds for activities allowable under section 2001(e) of the ARP and will reserve at least 20% of its ARP ESSER funds to address learning loss through the implementation of evidence-based interventions.

The LEA will comply with the maintenance of equity provision in section 2004(c) of the ARP.

The LEA assures either:

- (a) It will, within 30 days of receiving ARP ESSER funds, develop and make publicly available on the LEA's website a plan for the safe return of in-person instruction and continuity of services as required in section 2001(i)(1) of the ARP and in ED's [Interim Final Requirements](#), **or**
- (b) It developed and made publicly available on the LEA's website such a plan that meets statutory requirements before the enactment of the ARP that meets ARP requirements. (ARP was enacted March 11, 2021).

The LEA also assures that before making the plan publicly available, the LEA must seek public comment on the plan and take such comments into account when developing the plan.

The LEA will comply with all reporting requirements at such time and in such manner and containing such information as the ALSDE or ED may reasonably require including on matters such as:

- How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to addressing COVID-19 in schools;
- Overall plans and policies related to State support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
- Data on each school's mode of instruction (remote, hybrid, in-person) and conditions;
- LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
- LEA uses of funds to sustain and support access to early childhood education programs;
- Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
- Student data (disaggregated by subgroups) related to how the COVID-19 pandemic has affected instruction and learning;
- Requirements under the Federal Financial Accountability Transparency Act (FFATA); and

- Additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER funds.

The LEA assures that records pertaining to the ARP ESSER award under 2 C.F.R. § 200.334 and 34 C.F.R. § 76.730, including financial records related to use of grant funds, will be retained separately from other grant funds, including funds an LEA receives under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act).

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) ED and/or its Inspector General; (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; or (iii) the ALSDE.

The LEA will use ARP ESSER funds for purposes that are reasonable, necessary, and allocable under the ARP.

The LEA will provide services and assistance from ARP ESSER funds to students and staff during the period of funds availability. (March 13, 2020 – September 30, 2024)

OTHER ASSURANCES AND CERTIFICATIONS

The LEA will comply with all applicable assurances in OMB Standard Forms 424B and D (Assurances for Non-Construction and Construction Programs), including the assurances relating to the legal authority to apply for assistance; access to records; conflict of interest; merit systems; nondiscrimination; Hatch Act provisions; labor standards; flood hazards; historic preservation; protection of human subjects; animal welfare; lead-based paint; Single Audit Act; and the general agreement to comply with all applicable Federal laws, executive orders and regulations.

The LEA assures that, with respect to the certification regarding lobbying in Department Form 80-0013, no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making or renewal of Federal grants under this program.

The LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

The LEA will take all necessary steps to allow every student, teacher, and other program beneficiary to participate in the ARP ESSER program. If any barrier arises that impedes equal access to, or participation in the ARP ESSER program, the LEA will quickly address and resolve those issues.

The LEA will comply with all applicable requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (sometimes referred to as the Uniform Guidance, or the Uniform Grant Guidance (UGG)).

The LEA will comply with the provisions of all applicable acts, regulations and assurances; the following provisions of Education Department General Administrative Regulations (EDGAR) 34 CFR parts 76, 77, 81, 82, 84, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; and the Uniform Guidance in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

GEPA ASSURANCES

The LEA will administer each program covered by the application in accordance with all applicable statutes, regulations, program plans, and applications, including, but not limited to federal education program laws, the General Education Provisions Act, the Education Department General Administrative Regulations, and the Uniform Grant Guidance.

The LEA assures that control of funds provided to the LEA, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property.

The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds.

The LEA will make reports to the ALSDE and to ED as may reasonably be necessary to enable the ALSDE and ED to perform their duties and that LEA will maintain such records, including the records required under [20 U.S.C. 1232f](#), and provide access to those records, as the ALSDE or ED deem necessary to perform their duties.

The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of ED programs.

The LEA assures that any application, evaluation, periodic program plan or report relating to an ED program will be made readily available to parents and other members of the general public.

The LEA assures that in the case of any project involving construction-

- the project is not inconsistent with overall State plans for the construction of school facilities, and
- In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary of Education under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities.

The LEA assures they have adopted effective procedures for acquiring and disseminating to teachers and administrators participating in an ED program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects.

The LEA assures that none of the funds expended will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

LEA SUPERINTENDENT ASSURANCES

The LEA Superintendent certifies to the best of his/her knowledge and belief that all the information and data in this application are true and correct. The LEA Superintendent acknowledges and agrees that failure to comply with all assurances and certifications in this application, all relevant provisions and requirements of the American Rescue Plan Act of 2021 (ARP Act), Pub. L. No. 117-2 (March 11, 2021), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate, and other enforcement actions.

Required Narratives

How does the LEA plan to use funds to implement prevention and mitigation strategies in order to continuously and safely operate schools for in-person learning?

* Gulf Shores City Schools will use a portion of funds to address deferred maintenance projects in our buildings (Boiler & HVAC). Funds will be used to address school facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards and support student health needs. Funds will also be used for inspecting, testing, maintaining, repairing, replacing, and upgrading projects to improve the indoor air quality in school facilities, including HVAC systems, filtering, and control systems.

How will the LEA ensure that the evidence-based interventions will address the academic impact of lost instructional time and ensure that those interventions respond to the academic, social, emotional, and mental health needs of all students including underrepresented student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English Learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care) and those who are particularly impacted disproportionately by the COVID-19 pandemic?

* Academic interventions will be aligned with course of study standards and student needs as identified by standardized pre/post assessments and regular progress monitoring. Teachers will participate in regular data meetings and will adjust academic interventions as needed. Social, emotional, and mental health needs will be met through character education and counselor support. Interventions will be modified based on regular data collection and analysis. All students including underrepresented student subgroups and those particularly impacted disproportionately by the COVID-19 pandemic will be invited to participate in the evidence-based intervention programs with progress monitoring.

How will the LEA comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a)?

The description must include information on the steps the LEA proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the ESSER III program.

* The summer learning, summer enrichment, and extended school year programs described in this application target students, parents, and school district employees of different genders, races, national origins, colors, disabilities, and ages to the fullest extent possible. No participant will be denied participation in program activities based upon their gender, race, national origin, color, age, or any disability. The principals at the schools where the programs are housed will monitor program activities to ensure that equitable participation in program activities is not limited due to gender, race, national origin, color, disability, or age.

How will the LEA actively monitor their allocations, conduct interim audits to ensure an appropriate application of funds, collect and manage data elements required to be reported, and report this information to the community?

* The Federal Programs Director will actively monitor ESSER grant allocations and prepare program budgets, schedules, and budget amendments to ensure compliance with statutory requirements. Additionally, the Federal Programs Director will collect and manage all required data elements by developing systems of collaboration with relevant supervisors in the collection of required data elements. Required reporting elements will be posted on the school system's website for public comment. The Federal Programs Supervisor will audit all purchases prior to the obligation of funds to ensure funds are expended as

approved in the ESSER grant applications. The CSFO will audit expenditures prior to requesting grant reimbursements and maintain documentation necessary for year-end audit reporting.

How will the LEA meaningfully engage with families and communities throughout the life of the ARP ESSER and other relief funds?

* Gulf Shores City Schools will maintain an ESSER page of the district website to keep all stakeholders informed of the progress of ESSER funding plans and programs. The site information includes phone and contact information for stakeholders to address comments related to ESSER funding, programs, and reporting. Stakeholders will also be notified of any public meetings that address the use of ESSER funds.

LEA Reservation to Address Loss of Instructional Time

LEAs must reserve at least 20 percent of funds to address loss of instructional time through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

For this reservation of funds, the following interventions are allowable:

1. Summer Learning & Summer Enrichment Programs
2. Extended Day Programs
3. Comprehensive After-School Programs
4. Extended School Year Programs
5. Other – See Intervention box E for more details.

Intervention D (Extended School Year Programs)

Provide the following information for Intervention D (Extended School Year Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

ARP ESSER funds will be used to provide an Extended School Year program at Gulf Shores Elementary School for students who are below grade level in grades 1-5. The program will operate in the following school years: 2022-23 and 2023-24. We will partner with local colleges and universities to provide education majors to serve as student teachers during the school year, interim teachers in the summer and tutors after-school. Additionally, we will partner with the Gulf State Park, Little Lagoon Preservation Society, and the Gulf Coast Center for Ecotourism and Sustainability.

The extended year program will support three blended grade classrooms (1st-2nd, 3rd-4th, 4th-5th). Each class will have a maximum of 15 students who are below grade level in reading or math. The classroom teacher will be supported by one part-time certified teacher. Each class will also have one student teacher. The lead teacher and student teacher will be trained in the co-teaching model. The staffing model will allow for a student-teacher ratio of 5:1. The classroom instructional program will utilize a blended and personalized approach to teach students at their academic level rather than their grade level. Additionally, a standards-based grading approach will allow students to progress at a personalized pace. As students progress, they will have the opportunity to move to a higher grade level during the school year. Student teachers will be employed after school to work with students in a program that provides academic support and enrichment.

For each school year, the program will run five days per week for six weeks during the months of June and July. Subjects that will be covered are math, reading, science, social studies, technology and engineering. The learning program will utilize a blended and personalized approach to teach students at their academic level rather than their grade level. Additionally, a standards-based grading approach will allow students to progress at a personalized pace. Enrichment activities will be aligned to the COS for various subject areas and will focus on learning about the environment of the gulf coast.

Total cost: \$324,478

Number of Employees:

Summer: ES 3 ½ day Teachers and 8 full-time College Students

Regular School Year: 3 part-time teachers (4 hours per day)

Administrative Costs

Program Administration must be reasonable and necessary in order to manage the federal grant in a compliant and effective manner.

* The LEA is not utilizing grant funds for administrative costs. ▼

Provide a summary of how the grant program will be administered, including the title of the staff responsible for the grant administration, the FTE(s), and other funding sources (if applicable) that will contribute to administrative staff salaries/benefits. Additionally, the description must include all estimated costs, match the administrative costs dollar amount listed above, and include the Function and Object codes associated with the charge.

NA

Indirect Costs

Indirect Costs represent the expenses of doing business that are not readily identified with the ARP ESSER but are necessary for the general operation of the organization and the conduct of activities it performs. These costs must be reasonable and necessary, and LEAs can use the unrestricted indirect cost rate for calculation.

* The LEA is utilizing grant funds for indirect costs. ▼

ARP ESSER State Reserve Allocation to Address Loss of Instructional Time

The ALSDE is providing a State Reserve allocation to LEAs to address the loss of instructional time through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

For the ARP ESSER State Reserve Allocation, the following interventions are allowable:

1. Summer Learning & Summer Enrichment Programs
2. Comprehensive After-School Programs
3. Other – See Intervention box C for more details.

Required Narratives

Provide a description of the evidence-based program(s) (including partnerships with community-based organizations) the LEA has selected to use with the ARP ESSER State Reserve, and how the LEA will address the disproportionate impact of COVID-19 on certain groups of students, including each major racial and ethnic group, children from low-income families, children with disabilities, English Learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care.

* Funds will be used to provide summer learning and summer enrichment programs for students in grades 9-12. We will operate three summer learning and enrichment programs in the summers of 2022, 2023, and 2024. The Gulf Shores High School summer learning and enrichment programs will provide summer career academies for high school students. Each academy will provide credit for a career-technical class and an academic class. The academies to be offered are Aviation, Culinary, and Agriculture. Students will also earn credit in an aligned math or science course. The summer learning programs will run for five days a week for six weeks. Through partnerships with local industries, students will have an opportunity to complete a summer internship.

Additionally, funds will be used to prepare students for the ACT. Students at Gulf Shores High School whose ACT subtest score, in any category, is below the national average will be identified. These students will be enrolled in a semester long ACT prep course that will provide personalized remediation. The course will be provided during the school day in order to serve all eligible students. The ACT prep program that will be used is evidence-based and taught by highly-qualified instructors. Success will be measured by comparing student ACT scores before and after taking the class. Huntington ACT will be purchased for these students in 2022, 2023 and 2024.

Funds will also be used to provide a comprehensive After-School program for academically at-risk students in grades 1-5 after school in 2022, 2023 and 2024.

Gulf Shores City Schools will partner with local universities to hire student teachers who will be employed in an after-school program that provides academic support and enrichment. The student teachers that will be employed will be the same teachers who are working with the academically at-risk students during the school day. Additionally, we will partner with the Gulf State Park, Little Lagoon Preservation Society, and the Gulf Coast Center for Ecotourism and Sustainability. We will provide enrichment classes in the after-school program that are aligned with the courses of study for math, science, social studies, and language arts. The enrichment classes will focus on students learning about the gulf coast environment and the history of Gulf Shores.

All academic interventions described above will be aligned with course of study standards and student needs as identified by standardized pre/post assessments and regular progress monitoring. Teachers will participate in regular data meetings and will adjust academic interventions as needed. Social, emotional, and mental health needs will be met through character education and counselor support. Interventions will be modified based on regular data collection and analysis. All students including underrepresented student subgroups and those particularly impacted disproportionately by the COVID-19 pandemic will be invited to participate in the evidence-based intervention programs with progress monitoring.

Indicate the data sources the LEA used to identify the students most in need of the program(s) and the extent to which the LEA will evaluate the impact of the program(s).

* We will utilize the following data sources to identify students who are most in need: ACT and Pre-ACT scores, STAR reading and Math scores, ACAP scores.

Using the allocation from the ARP ESSER State Reserve, explain how the LEA will identify and engage

- 1) students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
- 2) students who did not consistently participate in remote instruction when offered during school building closures.

* Using attendance data and grades for the 2019-2020 and 2020-2021 school years, we will identify students who missed the most in-person instruction as well as those who did not consistently participate in remote instruction during the school closure in spring 2020. We will invite these students to participate in our intervention programs and will engage the students by providing personalized interventions and using progress monitoring data to adjust interventions as needed.

ARP ESSER Funds will be used to provide summer learning and summer enrichment programs for students in grades 9-12. We will operate three summer learning and enrichment programs in the summers of 2022, 2023, and 2024.

The Gulf Shores High School summer learning and enrichment programs will provide summer career academies for high school students. Each academy will provide credit for a career-technical class and an academic class. The academies to be offered are Aviation, Culinary, and Agriculture. Students will also earn credit in an aligned math or science course. The summer learning programs will run for five days a week for six weeks. Through partnerships with local industries, students will have an opportunity to complete a summer internship.

Intervention B (Comprehensive After-School Programs)

Provide the following information for Intervention B (Comprehensive After-School Programs):

- 1) Brief description and timeline for each service (service must end by 9/30/2024)
- 2) Number of employees and FTE(s) (if applicable)
- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

ARP ESSER Funds will be used to provide a comprehensive After-School program for academically at-risk students in grades 1-5 after school in 2022, 2023 and 2024.

Gulf Shores City Schools will partner with local universities to hire student teachers who will be employed in an after-school program that provides academic support and enrichment. The student teachers that will be employed will be the same teachers who are working with the academically at-risk students during the school day. Additionally, we will partner with the Gulf State Park, Little Lagoon Preservation Society, and the Gulf Coast Center for Ecotourism and Sustainability. We will provide enrichment classes in the after-school program that are aligned with the courses of study for math, science, social studies, and language arts. The enrichment classes will focus on students learning about the gulf coast environment and the history of Gulf Shores.

- 3) Itemized Budget using Function & Object codes (must match Budget Grid)

NOTE: If an LEA chooses to use the "Other" intervention option, the LEA must attach documentation in the Related Documents section that shows that the Intervention is evidence-based (Tier I | Tier II | Tier III | Tier IV).

1. Students at Gulf Shores High School whose ACT subtest score, in any category, is below the national average will be identified. These students will be enrolled in a semester long ACT prep course that will provide personalized remediation. The course will be provided during the school day in order to serve all eligible students. The ACT prep program that will be used is evidence-based and taught by highly-qualified instructors. Success will be measured by comparing student ACT scores before and after taking the class. Huntington ACT will be purchased for these students in 2022, 2023 and 2024.
